About Trinidad and Tobago Business Guide

Trinidad and Tobago is the Caribbean's biggest economy and most fertile business location. Big-name corporations have been attracted to Trinidad and Tobago because:

- it is rich in energy resources
- it is perfectly situated for accessing both North American and European markets
- it has trade investment agreements with the European Union, the United States, and several other countries in the Americas
- it is the gateway to Latin America
- its business climate is stable and investor-friendly

The Trinidad and Tobago Business Guide puts all the necessary information about doing business in Trinidad & Tobago into the hands of the people who matter. All the major economic sectors are covered by specialists in their field, and the necessary background information is set out in a clear, reader-friendly way. The Trinidad & Tobago Business Guide is independent and non-partisan. It is not a promotional guide: its hard, objective information allows readers to draw their own conclusions.
